Here we have the ever popular Auto-Sleeper Symbol, Based on the Peugeot Boxer, 6-speed Manual – 2 berth, This is a very clean motorhome As you open the side sliding door you find the lounge and dining area, you have a side sofa and a forward facing seat with three-point seatbelt, this area converts into either two single beds or can be made into a large double bed in the evening. Large windows and a sunroof flood the lounge with plenty of natural daylight making it light and airy, with upper storage lockers and under-seat storage. The kitchen has a stainless steel sink with draining board, chrome mixer tap and glass lid, hob with three gas burners and an electric hot plate, gas grill and oven beneath, a three-way fridge with ice-box and plenty of cabinets and cupboards for storage. The washroom is found at the rear of the motorhome, it has a shower tray with shower head on a rising rail and a shower curtain, a fold-down wash-basin with chrome mixer tap, a mirrored medicin...
