The ever popular Auto Sleeper Mezan is an iconic design in the world of camper vans, being perfect for couples. The beauty of these vehicles are how versatile they are, it can be used as an every day vehicle and easily fits into car park spaces as well as been equipped with everything you need to start your adventures far and wide. Auto sleeper have cleverly designed the interior living space making the most of the room available and furnishing in a lovely neutral cream upholstery with contrasting curtains. The space being light an airy with two large sky lights and finished off with blinds and fly screens. This model comes with a quality diesel heater meaning the van can be used all year round along with a truma ultrastore water heater providing hot and cold water rarity on these models. A hidden wardrobe space above the wash basin is perfect for hanging clothes. As this is the high top van head room is great and also better insulated than its fabric roof counterparts. ...
